

U.S. ARMY MEDICAL LOGISTICS COMMAND

KEVIN K. KIM

Deputy Commander for Support, U.S. Army Medical Materiel Center-Korea

Mr. Kevin K. Kim currently serves as the USAMMC-K Deputy Commander for Support. He assumed responsibility for this position on 14 August 2022.

As the DCS, Mr. Kim administers all USAMMC-K medical logistics support actions. He manages USAMMC-K's Human Resources, Security, Safety, Logistics, Information Management, and Resource Management Divisions and synchronizes staff objectives with the Operations Directorate.

Before serving in this position, Mr. Kim was the Business Management Division Chief for Defense Logistics Agency (DLA) Installation Management Philadelphia, where he was responsible for developing, implementing, and integrating Business Management Division Programs and overseeing the Security and Multi-Media Divisions.

Mr. Kim served in various Department of Defense (DoD) Civilian positions ranging from a DLA Troop Support Medical Logistics Planner to an U.S. Army Installation Management Command (IMCOM) Strategic Planner. He also served in the U.S. Army Reserve for 19 years.

Mr. Kim is a graduate of the U.S. Army Intermediate Level Education (ILE) and received his Master of Business Administration (MBA) from Colorado State University, and Bachelor of Science (BS) in Business Administration from California State University, Sacramento.

Mr. Kim received awards consistent with those of most DoD civilians and Soldiers who had the privilege and honor to serve the United States of America.

BE ALL YOU CAN BE.
