AMLC GLOBAL PRESENCE

Providing medical materiel readiness that enables combat power

U.S. Army Medical Materiel Agency (USAMMA)

Provides worldwide operational medical logistics support, maintenance, and centralized management of readiness-enabling contingency programs.

U.S. Army Medical Materiel Center - Europe (USAMMC-E)

Serves as the Theater Lead Agent for Medical Materiel for U.S. European Command and U.S. Africa Command. Provides medical materiel support for U.S. Central Command. Serves as the Executive Agent to the U.S. Department of State for its medical humanitarian assistance program and provides logistics services to U.S. embassies throughout the world.

U.S. Army Medical Materiel Center - Korea (USAMMC-K)

Serves as the Theater Lead Agent for Medical Materiel for U.S. Forces Korea and provides medical materiel support to theater medical forces, ensures tactical units are integrated into the medical supply chain and assists the Combatant Commander in health logistics support planning.
