Before Sending Your Device:

- 1) Clean and disinfect your device.
- 2) Complete a Repair and Return form for the appropriate MMOD location. Forms are available at www.amlc.army.mil.
- 3) Include all accessories needed to operate, test, and/or calibrate the unit.
- 4) If possible, please include manufacturer's service literature for non-standard equipment. We also request that you contact the appropriate depot prior to shipping non-standard equipment.
